

Vermont Psychiatric Care Hospital Policy

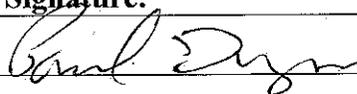

Representative Payee

Revised: X

Date:

Patients at the Vermont Psychiatric Care Hospital (VPCH) are entitled to receive care in a safe setting that respects personal privacy and is free from exploitation. VPCH shall ensure that patient funds are maintained in accordance with the requirements of the Social Security Administration for representative payees.

If VPCH believes that a representative payee is legally indicated, VPCH will pursue that process, or advocate for that process to be followed.
