Think Tank – Day Three

LISTENING TOUR THEMES AND VISION STATEMENTS WITH SUPPORTING STRATEGIES

PREVENTION AND PROMOTION: *INTEGRATION AND STRUCTURE*

LISTENING TOUR THEME	VISION STATEMENT WITH SUPPORTING STRATEGIES IDENTIFIED		
<i>WELLNESS</i>	<i>We have a holistic system of care that learns from each other (health, FWHC, hospitals, AHS); shares knowledge and implements a common vision that addresses the whole person and the impacts of social contributors to health.</i>		
<i>PREVENTION</i>	Short-Term	Mid-Term	Long-Term
<i>INTEGRATION</i>	Strategy: <ul style="list-style-type: none">Propose legislative mandate for a structure to bring together leaders (as a council or board) tasked with the vision and coordination to identify overlaps, gaps, resource protection.	Strategy: <ul style="list-style-type: none">Build a social policy agenda about basic needs.Develop workforce support models.	Strategy: <ul style="list-style-type: none">Enact social policiesImplement best practice for workforce support
<i>COMMUNITY INVOLVEMENT</i>	<ul style="list-style-type: none">Get buy in of basic needs and that they are an essential component of prevention.Assess current state of workforce

LISTENING TOUR THEME	VISION STATEMENT WITH SUPPORTING STRATEGIES IDENTIFIED		
EARLY INTERVENTION	<i>We have a framework (akin to the Sequential Intercept Model) where there are appropriate points of intervention to manage an individual's needs at the lowest appropriate level of care and prevent the need for higher levels of care.</i>		
PREVENTION	Short-Term	Mid-Term	Long-Term
WELLNESS	Strategy: <ul style="list-style-type: none"> Identify current models for warm hand offs and urgent care. 	Strategy: <ul style="list-style-type: none"> Develop model for warm hand offs and urgent care. 	Strategy: <ul style="list-style-type: none"> Implement model
INTEGRATION	<ul style="list-style-type: none"> Assess current staffing model (include roles, systems, skills needed) 	<ul style="list-style-type: none"> Develop staffing model 	<ul style="list-style-type: none"> Implement staffing model
COMMUNITY INVOLVEMENT	<ul style="list-style-type: none"> Identify where public and private insurance does not support parity AND incentivize wellness activities

LISTENING TOUR THEME	VISION STATEMENT WITH SUPPORTING STRATEGIES IDENTIFIED		
WELLNESS	<i>Increase education and communication across our state to decrease stigma and ground ourselves in treating each other with dignity and respect.</i>		
EARLY INTERVENTION	Short-Term	Mid-Term	Long-Term
INTEGRATION	Strategy: <ul style="list-style-type: none"> Increase focus and support for children ages 0-8 to address their social and emotional development. 	Strategy: <ul style="list-style-type: none"> Implement broad public education on the 8 Dimensions of Wellness (Social, Physical, Emotional, Spiritual, Intellectual, Environmental, Occupational, Financial) 	Strategy: <ul style="list-style-type: none"> Change culture so everyone understands whole person wellness-body, mind and spirit
