

HELP WANTED

I need a God in my life. The only thing I want from this God, right now is to lead me to sanity. As time goes on, I may want God to help me forgive myself, give me the courage to do the right thing and shape me into a better man. Right now, I need God to bring me out of the chaos.

I don't need a God to open up the gates of heaven and let me in. I just want the gates of hell to open up and let me out.
