

River Valley Therapeutic Residence Policy and Procedure		
Discharge Planning		
Effective: 4/26/2023	Revised:	Due to Review: 4/26/2025

POLICY

Every resident admitted to the River Valley Therapeutic Residence (RVTR) shall have an individualized aftercare plan specifying the providers and services the resident will receive upon discharge. RVTR staff will work closely with the resident, guardian, and appropriate community agencies and, with the resident's permission, their family and/or significant other, in order to ensure continuity of care. Aftercare planning is an inherent and important part of the overall treatment planning process.

PROCEDURE

The Residential Care Manager will have primary responsibility for coordinating aftercare planning for residents at RVTR.
