	<p>Committee entered break at 1:37PM</p>
<p>Discuss: Agency Designation Recommendation for UCS</p>	<p>Committee reconvened at 1:51PM</p> <p>Committee’s proposed recommendation: Re-designation with minor deficiencies</p> <ul style="list-style-type: none"> • Zach motioned to recommend Re-designation of UCS with minor deficiencies. Michael seconded. All in favor. Recommendation passes. <p>Key areas to highlight in letter:</p> <ul style="list-style-type: none"> • Kudos for headway made on staff recruitment and retention. Committee encourages UCS to pursue additional strategies for retention. Ability to cut vacancy rate in half and lifted morale. • Finding Access to Services and Treatment (FAST) intake model and use of Collaborative Network Approach • Standing up Psychiatric Urgent Care for Kids (PUCK) program and encourage expansion and inclusivity. And to further promote the service in the community. • Compensation study/project and pursuit of pay equity for peers. Finding alternative sources of funding (grants) to add 40 new positions to the agency. • Peer run groups (such as swimming and crafts) and consider holding mindfulness and/or yoga groups. • Relationships with local realtors to support new staff relocating to find housing. • Embedded staff with Vermont State Police and Bennington Police for crisis response. • Fostering an active, peer-run local program standing committee. Involvement of peer committee in key hiring decisions. • Equine-assisted therapy. <p>Areas of improvement</p> <ul style="list-style-type: none"> • Meet the requirements of the chart review Corrective Action Plan for patient-centered documentation. • Develop a program to get peer advocates into emergency department • Look for creative ways to fill family peer support position vacancy such as VFN, VFF, and NAMI • Seek out support to improve application for CCBHC planning grant.
<p>Farewell to Alison Krompf</p>	<p>Lynne recommends new song from Toronto-based band Walk off the Earth called “On the Road,” especially version that’s live in Costa Rica.</p> <p>Committee recognized the impact that Alison Krompf had on the Department of Mental Health and the broader community.</p>

	<p>Alison did not take this move lightly, but she could not pass on the opportunity to pursue her dream job in suicide prevention.</p> <p>Four Pines created Vermont-focused and national philanthropy strategy for suicide prevention and treatment. Four Pines recognizes and supports alternative treatments such as respites. The Four Pines Foundation was founded by a Vermont family but their work is national. They allow for creative problem-solving by breaking out of the limitations set by Medicaid. Still, they conduct their work in such a way as to not drain public resources.</p> <p>Alison thanked the committee for their support when it’s deserved and push/challenge leadership when DMH can better support peers. She will continue to be available for coffee or email (coming soon)</p> <p>Replacement? The position posting closed in early March and they are currently in the interview process. Posting and interviewing is a new process at AHS for appointed positions as an effort to cast a wider, more equitable net for candidates.</p>
<p>Public Comment</p>	<p>Guest, Paula, shared her appreciation of the information in this committee.</p>
