V. DSM-5 DIAGNOSIS:

I certify that I have today examined this patient	and in
my opinion, this patient is is not (check one) a person in need of treatn	nent. I
base this opinion on my own examination and on review of the assessment and	
paperwork done by the physician who initiated the EE process and review of the	
application for the emergency examination. I have made the statements in this c	ertificate
under the pains and penalties of perjury.
