10:15 – 10:25 – (Return to main meeting space) Being Transformative in our Work Video – 6 minutes

10:25 – 11:40 – TOPICAL Groups

- **Please see your email! We are not going into our Workgroups. Please choose a topic and join that group (link in your email)**

- 1) **Peers, Community Health Workers** or care navigators or some other type of support person? What do we mean and what do we want?
- 2) Identifying three small steps to further integration of health care in **Coordinated Services Planning** for children and youth with disabilities
- 3) In our recommendations, we know that key performance measures will be vital to the success of integration. What current **key performance measures** would you recommend that all providers, organizations, state government and payers to support integration?
- 4) Recommendation: Identify opportunities for **shared or leveraged staffing** through contracting with Federally Qualified Healthcare Centers (FQHCs), Designated Mental Health Agencies (DAs) and exploring the potential for Certified Community Behavioral Health Clinics (CCBHCs).

11:40 – 12:10

Regroup in the main meeting room

12:10-12:30 - Public Comment, wrap-up
